This matter comes before the Public Service Commission of South Carolina (the Commission) on the Motion to Withdraw Complaint in this matter, filed by The Limited, Inc., the Complainant/Petitioner in this matter. The Motion is made pursuant to an agreement between The Limited, Inc. and The Richard E. Jacobs Group, Inc., the Respondent/Defendant in the case, which, according to The Limited, Inc. if performed, will make moot the issues raised between these two parties. All other parties to the case either consent to or do not oppose the withdrawal of the Complaint. The Motion to Withdraw is granted, and the Docket is closed, without prejudice.

This, however, leaves open various issues in the area of electric submetering. Accordingly, Staff is instructed to file comments with the Commission concerning the resolution of the electric submetering issues raised in the generic proceeding on

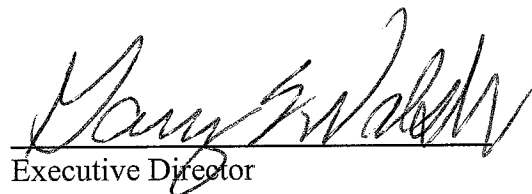

submetering. These comments are to be filed with the Commission no later than Tuesday, August 24, 1999.

This Order shall remain in full force and effect until further Order of the Commission.
